REFLECTION

PRINCIPAL'S MESSAGE

The progress of country depends upon the quality of its teachers and this is the reason teaching is the noblest among all the professions. They are social reformers, counselor and value developer. Their role as facilitators for social transformation will require them to develop in children nationalism and internationalism; prepare them to be global citizens; develop in them self learning and innovative skills.

I am privileged that our SOS CV J.N. Kaul Institute of Education Bhimtal, feels the need of nurturing caring and competent professionals in the field of education because education brings certain behavioral changes in the learner with an aim of better livelihood and dignified living. The whole system of education can be overhauled and streamlined only when teachers are well trained. So it is our endeavor to provide dynamic learning process to train, equip and mould the teacher trainees to cater the expectation of the modern society and to make them better individuals and citizens, thereby sharing the responsibilities of building strong pillars of the nation.

The college Newsletter definitely will help to expose the activities that are happening in the campus. It provides a platform for exposing the merits and academic achievements of the faculty and students. This enhances the documentation culture of the institute. This would definitely create an impact in the minds of readers, by way of providing larger visibility and dimension to the campus.

I do hope that the newsletter encourages many more including students to use it as a platform to express their creativities.

FACULTY ACTIVITIES

WE CONNECT SESSIONS

To build up the interpersonal skills of the faculty members of the Institute regular we-connect sessions are arranged of varied topics necessary for better functioning of academic and non academic tasks.

TEAM GAMES AND OUTING

Team building exercises are vital part of our Institute as we see it as an investment because a team which can't work together will not be able to achieve the goals. For quality team building we arrange regular team games and outing to make it more creative and fun. Today's team building activities can be extreme, push employees to the limits and create a fun environment that builds lasting memories and we completely understand the importance of it .

WORKSHOPS & SEMINARS

To maintain the pace of the continuing education of the teaching and non teaching faculty members' periodic workshops and seminars are organized on relevant topics for enhancing the skills and knowledge of them. Last workshop was arranged on the topic "Innovation in Education" for the teachers and student teachers.

PRINCIPALS MEET

Just the focus is not on the teaching faculty members but for better administration annually a Principal meet is organized in SOS National Office, Nizamuddin where different administrator come along to share their opinions and views to improve the status quo of the project.

LET THE ALUMNI SPEAK

I have not only witnessed, but also experienced the bliss, with which this wonderful institution nurtures an individual. Each and every block of the institution act as a stepping stone for us, thus augmenting each and every one of their qualities- be it academic prowess in securing a high percentage or versatility on the stage and games field. The institution under the able guidance of our Principal ma'am has the embellishment of a caring, loving and learning atmosphere and that makes all the difference. And today I'm working in Sherwood College Nainital as the coordinator of English Department.

Ms. Poonam Swami (Batch 2012-13)

I'm amongst the many students of the institution whose life changed not only academically but also mentally and emotionally after joining the Institute. The college focuses not only on making the finest of all teachers but also good humans and citizens. It's the continuous toiling of the Principal and staff of the college that it has become one of the best and most revered colleges of education in the state. What I'm today, I totally owe to the hard work and values instilled by the institute in me, I'm working as Lecturer English, Uttarakhand Education Department.

Ms. Mrinal Negi (Batch 2009-10)

As I joined JNKIE a completely different journey started because It was not a regular college which generally focuses on the academics and neglects the all round development of the students. From the first week of my admission I had to participate in the varied activities which I was not comfortable earlier on. But gradually I saw the difference in me and my friends we were more confident and active which is an relevant for every individual to succeed in life, meanwhile I qualified the NET/JRF examination In Education with the utmost support and guidance of the Principal and staff and right now doing my Ph. D. course work.

Ms. Gauhar Fatima (Batch 2013-14)

It had been a while for me after leaving formal education but coming here just not made me a disciplined person but also motivated me to explore my capabilities, skills and talents. My perception towards the teaching profession especially with the experience during my practice teaching.

LET THE ALUMNI SPEAK

I have not only witnessed, but also experienced the bliss, with which this wonderful institution nurtures an individual. Each and every block of the institution act as a stepping stone for us, thus augmenting each and every one of their qualities- be it academic prowess in securing a high percentage or versatility on the stage and games field. The institution under the able guidance of our Principal ma'am has the embellishment of a caring, loving and learning atmosphere and that makes all the difference.

Ms. Poonam Swami (Batch 2012-13)
[Coordinator Department of English, Sherwood College, Nainital]

I'm amongst the many students of the institution whose life changed not only academically but also mentally and emotionally after joining the Institute. The college focuses not only on making the finest of all teachers but also good humans and citizens. It's the continuous toiling of the Principal and staff of the college that it has become one of the best and most revered colleges of education in the state. What I'm today, I totally owe to the hard work and values instilled by the institute in me,

Ms. Mrinal Negi (Batch 2009-10)
[Lecturer English, Uttarakhand Education Department]

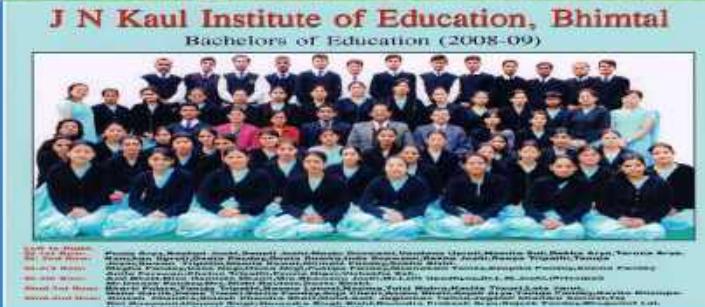

As I joined JNKIE a completely different journey started because It was not a regular college which generally focuses on the academics and neglects the all round development of the students. From the first week of my admission I had to participate in the varied activities which I was not comfortable earlier on. But gradually I saw the difference in me and my friends we were more confident and active which is an relevant for every individual to succeed in life, meanwhile I qualified the NET/JRF examination In Education with the utmost support and guidance of the Principal and staff and right now doing my Ph. D. course work.

Ms. Gauhar Fatima (Batch 2013-14)
[Ph.D Scholar, SSJ University, Almora]

It had been a while for me after leaving formal education but coming here just not made me a disciplined person but also motivated me to explore my capabilities, skills and talents. My perception towards the teaching profession especially with the experience during my practice teaching.

Impact of Institute on the Village or Community:

The complete social impact programme of SOS JNKIE was comprised of three modules viz.

1. Boosting Corona Patients
 2. Educating Illiterate People
 3. Craft Activities
4. Motivating people to get vaccinated and to get tested for Covid – 19
5. Identifying and solving the difficulties faced by students during online learning

Under each module various innovative activities were conducted weekly. The student-teachers were divided into respective groups to conduct innovative activities related to each module in consultation with the faculty members. Apart from the five modules, the social impact programme also focused on organizing constructive

and productive programs for various awareness drives, cleanliness drives, blood donation, environment protection, health education, etc.

The social impact programme of SOS JNKIE, Bhimtal emphasized on developing contact with the local community, in which our institute is located, to identify their problems with the help of academic and socio-economic researches. After gathering of data, the focal areas of the social impact programme of SOS JNKIE were carefully drafted to come out with feasible and positive solutions so that the life of local community members (largely villagers) can be raised to higher levels.

The Social Impact Programme benefitted a total of 104 beneficiaries in all the five modules. The detailed data of the Social Impact Programme is as follows:

A three-day program on Hindi Divas titled 'Hindi Hain Hum Watan Hain' was organized at J. N. Kaul Institute of Education, Bhimtal. On this occasion the B.Ed. trainees presented their ideas through Hindi poetry recitation, painting, and speech competition on the title 'Current relevance of Hindi language'.

On the occasion of the program presented, it was told by Dr. Ranjana Ruhela, Principal of the Institute, that despite having hundreds of languages, the place of Hindi in this country is unique, which tries to connect the person with his origin and his existence in today's highly commercialized environment where people are forgetting their roots. Hindi Diwas plays an important role in this. It brings people to their roots, encourages to live as well as ties us together in a strong bond, we should never forget our mother tongue and we should respect the slogan "Hindi hai hum watan hai".

During the program, the students expressed their views that unless they use Hindi fully, the development of Hindi language cannot take place. If we do not give our mother tongue Hindi an essential place in our life by small efforts, then it will be left far behind in the competition from other languages. Therefore, we should respect Hindi language so that the culture of our country can progress.

The program was moderated by Lalit Mohan, Shrutiika Shah and Mukta Priyadarshini. On this occasion, the assistant professors of the Institute: Dr. Gokulanand Tiwari, Mrs. Bina Negi, Mrs. Sonal Shukla, Mr. Ganesh Chandra, Mr. Rajendra Khati, Ms. Deepali Gupta, Ms. Deepika, Ms. Akansha Shaily, Mr. Neeraj Kumar, Ms. Shalini, Mr. Rahul Kumar, Mr. Netra Prasad Gautam. NATIONAL WEBINAR (NURTURING PROSPECTIVE TEACHERS' TOWARDS GENDER SENSITIVITY)- 27-09-21

The National Webinar on "Nurturing Prospective Teachers towards Gender Sensitivity" in the context of gender issues was successfully organized by SOS J. N. Kaul Institute of Education, Bhimtal. Professor Dr. Vijaya Rani Dhoundiyal, Head of Education Department, Soban Singh Jeena University Almora and Dr. Deepa Johri, Associate Professor, Head of Education Department Bareilly College Bareilly were present as the resource persons in the program. Dr. Ranjana Ruhela, Principal of the Institute inaugurated the program and welcomed both the guests. The introduction was conducted by Himanshu Paliwal and Lalit Singh Bisht.

On this occasion, it was shared by Professor Dr. Vijaya Rani Dhoundiyal as the key resource person, that the issue of gender sensitivity is a burning issue in today's society. Today, thousands of children study together in schools and colleges, but in each area only the boys are given priority. There should not be class discrimination in the classroom and gender sensitivity should be implemented as a subject in the classroom of pedagogy. Only with the participation of teachers and students, girls are strengthened more through Kasturba Gandhi Schools today. Girls are also being given the opportunity of education. Today girls are also working in many fields and it is necessary to change the mentality of people which have been going for centuries, and should be taking to a new level. Dr. Deepti Johari said that we should take the help of good text books that will help in diminishing gender diversity and it should be a part of our curriculum, and the methodologies that have been practiced till now should have to be modified with new thinking abilities and innovations. Patriarchy is a bad practice which have been a part of our lives today. In this, all the responsibility lies with the patriarchy. Therefore, today we need to change this thinking, we must have come under the preview of socialization, and the first place of socialization is our family, from there the gender trait starts, so today we need to change the stereotype through good books. So that equality between men and women should be maintained in the society.

Dr. Ranjana Ruhela, Principal of the Institute presided the program, and said that, for the upliftment of the girl child, it is necessary to change both the role of teachers, and the mindset of the society so that a healthy social environment can be created.

On this program, Dr. Gokulanand, Miss Akansha Shaily, Miss Deepika Dhanik, Mrs. Beena Negi, Mrs. Sonal Shukla, Mr. Ganesh ary, Mr. Rajendra Khati, Miss Deepali, Mr. Neeraj kumar, Mr. Rahul kumar, Miss Shailini Mr. Mukesh Kumar, Miss Pooja, Mr. Netra Prasad Gautam were present.

Social Impact Program (Community Work)

1.0 Introduction

Procedure of Social Impact Programmes:

For the systematic conduction of social impact programs all pupil teachers were divided into eight groups. These eight groups were assigned different eight areas of work. The detail of the work has been given in below table:

Group	Number of students	Number of Beneficiary	Area of work
Group 1	10	200	Cyber crime
Group 2	10	276	Awareness about constitutional safeguards for women
Group 3	10	260	Disadvantages of excessive use of multimedia devices.
Group 4	03	50	Awareness about traffic rules.
Group 5	10	253	E-Governance
Group 6	08	170	Awareness about forest fire.
Group 7	11	300	Drug awareness programme
Group 8	19	185	Health and Yoga

Different activities were undertaken under each module. In collaboration with the faculty members, the student-teachers were separated into the appropriate groups to carry out activities connected to each module. The social impact program, in addition to the eight modules, concentrated on a range of awareness campaigns such as drug abuse, environmental safety, traffic rules, forest fire, excessive use of multimedia, cyber crime yoga and health etc. The SOS JNKIE, Bhimtal social impact program placed a strong emphasis on strengthening relationships with the locals. Using academic and socioeconomic data, the community where our institute is located can identify their issues researches. Following data collection, SOS JNKIE's social impact program's key areas of focus were carefully written to provide answers that were both practical and beneficial ensuring that the lives of village people.
